

B.A. PROGRAMME OUTCOMES

BACHELOR OF ARTS for ages together has been considered as the group of learned and scholars. The first generations of leaders and scholars have studied BA Honours only. In India for any Government post one needs basic knowledge on History, Economics and many more subjects of BA.

- There are many Government job opportunities after completing B.A.
- In journalistic field also the students of B.A. can compete.
- In the field of business also one can prosper through this: because of their social skills acquisition.
- One can be proficient of past; through this, the mistakes of life can be acknowledged and the repetition can be avoided.
- The life skills will be achieved.
- The motivation will be done by going through the lives of the great.
- Great issues of generations will be learnt.
- How to rule and be ruled will also be learnt.
- Awareness on life will be exclusively learnt.
